\* Costs are subject to change. Our goal is to provide a great experience for a low cost. Tournaments are selected by the coaching staff. Up to Two Tournaments may be included in the Travel fee. . Additional tournaments may be arranged on a team basis for an additional fee. Some clinics may be an additional cost. 8u team cost will be lower as there is no summer season planned for 2015. 12u Teams will have additional costs related to the Cooperstown experience and tournament, and will have additional games at Cooperstown area tournament. See "cost" section below.

Length of Seasons, actual games played and tournaments may vary by age group and can be affected by weather. For 2015 the new 8U team will play only in the Spring.

### **Field Sizes for the highest level of play**

Mahwah Travel and Rec Teams play on "real" field sizes. Our Travel and Rec field sizes are in line with the nations best travel and rec programs. For example at 11u and 12u, Mahwah does not use the smaller 46-60 field as some towns and other travel programs will do. Once a player enters 5th grade even our Rec program moves to 50/70 fields.

**40-40 for 8u** (travel only)

**46-60 for 9u and 10u** (and 3rd and 4th grade in Rec\*)

**50-70 for 11u and 12u** (and 5th and 6th grade in Rec)

**60-90 for 13u and 14u** (and 7th and 8th grade in Rec)

**Mahwah residents can get this robust program for just a few hundred dollars for Winter, Spring AND Summer !!**

**Mahwah Travel Baseball uses an outside, independent facility, and assessments for our selection process.** This makes our program unique, and is similar to the selection process at most "Club" teams, except that in our program the coach does not select their team. **Travel coaches are selected after the team is selected**, and as a result they do not choose their players. Travel coaches are provided with their roster. **If you are interest in Coaching, please see the Travel Coach Application at the bottom of this page.** Please see the full travel program overview online for additional details.
